Dear Sir,

Doby. 23d. 1828

A Supona has been served on me from the Court of Chancery, at the Suit of Robt. Oliver. Do me the Favor, if Mr. Carmichael is in Annapls., to ask him to enter an appearance for me in the Case, as he is concerned for me in the same business for in an Action brought by Oliver in Queen Anne's Court — and to bring or with him an extract from his Bill filed so as to enable me to put in my answer — and in Case Carmichael is not in Town, — please request Mr. Waters the Register in Chancery, to enter Mr. Carmichael's appearance for me in the Case. —

I am pleased to learn that we shall have an Election District at Queen's Town
