16 July 1842.

Dr Sir, Yours of the 5 instant I late this morning rec.d in which you request that I should furnish you with the balance unexpended in ~~your~~ my hands to pay the with any Stock or Money loan.d belonging to the Commissioners of the School fund (County) In answer thereto heretofore I state that there is no money loan.d to any person, Nor can I state what stock belongs to the School fund Comm.rs has been invested it having been done by the President of the board Mr Lan michael, there is a small sum in my hands unpaid, the board never had an intimation that a law was passed or intended to be changing the disposition of this fund until late in June after the law came to C Ville. They therefore were proceeding as they had been in preceding years it is therefore impossible for me to say to you & the board over which you preside what money are in my hands unappropriated: we expect to have a meeting shortly & when that takes place any proceedings which may take place & which the board direct to be communicated to you shall be done with the greatest promptness & any money in my hands or thereof when they direct to be paid over shall be done without delay. I expect to be in C Ville on the 19th instant & if expedient we can have a personal interview. I am Dr Sir Very respectfully yrs Tho B Tuspin Sup & treasurer of the late Comm.rs of the School fund for Albe Co.
