Application for Detective License.

A communication, as follows, was received, read and ordered referred to the Marshal for investigation and report:-

"Baltimore, Md., September 10th., 1911.

To The Board of Police Commissioners,

Court House, Baltimore, Maryland.

Gentlemen:-

On or about the 8th. of last April I filed with your Board an application (endorsed by three professional men and one business man - men of high standing in the City of Baltimore, for a commission as private detective, and which you declined.

I would be grateful to you if you would reconsider said application and let me have your decision at an early a date as possible.

Several good cases have been offered me to follow up, but of course, I would not think of undertaking such a thing without the proper credentials from your Board.

Trusting that you may see your way clean to consistently issue to me the commission applied for, I beg to remain,

Most cordially yours,

Harvey R. Baker,
3432 Chestnut street."
