Send down any thing in my power to pay your claim for Emanuel's hire and as quick as possible — my wheat crop I am sorry to say turns out badly, I have not yet got any corn in owing in measure for the want of hands — I have both been laid up for the last three weeks — I ride down to the ferry to day to see Rhodes respecting your note he promises to pay in a very short time respecting a remittance from Washington this week or Monday — as soon as he pays the money it shall be applied as you directed — Respecting Lloyd I am at a loss to say not having said any thing to him respecting his wishes as to the line of business he intends to pursue I have written to him on the subject. if you have heard of a situation I will thank you to inform me, if it is in my power to go to Phila. after Eliza — with I will make enquiries among my numerous friends for him — With love to all the family

I remain yrs truly

A. A. Hendley
