Dear Sir

I have taken the liberty to add a postscript to the Doctor's letter to say that Mrs. H wrote to Henrietta by Nan respecting Prescott's case of Small pox and I am happy to inform you she is getting better as fast as could be expected, Molly was confined on Thursday night, and as you may suppose we are badly situated as it respects the work of the family, hoping you all be well

I remain Yours Sincerely &c

A Hinsdale

Mrs
Geo. C. Thompson
Jay
N.Y.
