I have George disposed of at the valuation and should any of the purchasers who live in this State refuse to give Bonds and security within ten days of sale I think I can dispose of any of the blacks that may not be paid for agreeable to the conditions of sale. — If you should have it in your power to send me ~~the~~ a copy of the Law inform me at same time what you wish us to do. We expect payment from those in this State who were purchasers. — Inform me if the Corn, Corn fodder Straw and hay was appraised by the appraiser appointed by the Court, and at what price if appraised. — Having bought the Land of Ed. Bond & B. Churchill I agree to take all the provender at the appraisement and if not appraised to have it valued. — When in Philad.a on 25 ult.o Mr. Chase informed me that he intend to pay you a visit in a few days thereafter, and that he would call at this place on his way home, I have not seen or heard from him since

Yours Respectfully
