Smyrna March 29th 1830

John Filgiano Esquire

Dear Sir

Your letter without date but under post Mark of the 25th inst is received. — I am of the opinion that I have black Children enough and must decline taking 8 of chilg two girls, or even the black boy Benjamin unless he were older. — I would like to purchase 2 or 3 boys from 15 to 20 years old they could go to work at once. — Any Bank note that you see fit, you may received from me in part Gennero will take them back, and you may inclose them to me by some private hands or return them the first time you visit this place, when you can have others in the place of them. —

Hereafter you will find Joseph Hoffecker Brooks. — I am much better
