Dear Sir

The estate of the late Enoch Lightman is about to be closed — you may not be aware of the fact that young Enoch has sold his property in Baltimore — and an arrangement has been made by which W.M. T. will have the funds to bring matters to a speedy close — I must now intreat you, without delay, to furnish me with a voucher for the carriage, that I may claim an allowance — or it must be lost to me. I presume your affidavit, with the County Seal, as regards the Magistrate — will be sufficient — I asked Mr Price, as to the mode — and he gave no opinion — saying that he did not know of this fact, I think, happyized you — The truth is, our Register has a code of his own, and will walk in his own ways — The want of this voucher and mere little difficulty about fees has prevented the jury appeal to me from ever being closed. I have lost much by Enoch — among other matters, when

P.S. While you have pen in hand, tell me when my time comes, to get something from Louisiana — S.

P.S. On further examination, I am now inclined to think that the $150 allowed to William was included in yr. credit of $650 — which said sum arose from the sale of Wat for $500. & 150 additional which I must have deposited for yr. use about the same time —
