quarters rent which is $68 — if I fail in my school — I am minded & you can deduct it from the last year of Insurance — A letter from the Landlord yesterday requires security if I desire to remain on the premises — the Furniture he will not consider sufficient — being unwilling to expose himself to so painful a task as a distraint — If you can oblige me send me a formal assurance of it to put into the hands of William C. Shaw for 68$ — due the 14th day of August.

I know not what to do or where to turn — infact my hour makes it worse rather than better —

Love to Mary — yrs affy
