Phila. "Jany 6th. 1833

John Pilghman Esq.

Sir

I annex a statement and enclose a note of Wilmer & Driver for $423.31 with interest which I received from Joseph Pogue & Co for a claim due by them to J. & P. Wilmer. — I doubt not Mr. W. will pay this note when presented, and it was received with that expectation. You will please forward a check to my order on one of the banks at Baltimore or Easton for the amount. — the former prefered. — If Mr. W. declines paying the money, which I hope he will not as I wish to close the concerns of J. & P. Wilmer, you will receive from him his note with interest payable at Baltimore at the shortest time he will give it, not longer than 6mos. —

I regret the trouble I give you in this business.

Please write.

Yours Respectfully

Peregrine Wilmer
