To John Tilghman Esquire

Dear Sir

after leaving Easton today Recollect=
=ing your application for a loan of
$2500 for young Mr. Hemsly - who you say
is in business in Philad - & wants that
sum - I understood from you he owned one
fourth of the Island - They Sherwood, which
you said he was willing to Mortgage.
upon Reflection I think it will be best
to take a judgment. — it will be less Expense
& less trouble — if the young Gentleman finds
the Money I will use it properly.
If he is of age & capable of binding his
property by judgment — you will understand
=and I will not take a Mortgage.
but upon the proper Confession of a judgm
=ent to me — and the interest being paid - each
year in advance — I am willing to advance
the $2500 The principal, may be paid at his
Convenience within five years. but upon
a failure - of payment of interest, in advance
Execution to issue. as the judgment will be
entered upon a Stay of twelve months —
