Mr Donaldson for the unit you mention, the money now in hand is not enough to cover the claims - but there will be a sufficient certainty so soon as the other is rec'd - I sent the statement you favored me with to Mr D - he will advise you I presume immediately as the Draft on N York is pd - & make the distribution. I shall indeed be relieved when it is completed -

I am writing with a bad side head ache & must beg yr excuse for this miserable scrawled letter -

Give my affe love to Sister & Kate - the girls join sincerely

with yrs affly
