Dr Mell -

I am glad to inform you that we all reached home safely - Son Sunday, and Sister & Henrietta on Monday - Fathers carriage came down on Wednesday evening and Sister bore the ride very well

Upon making my arrangements in Baltimore, and presenting my Wife with a few presents which I knew she had long wished for, I found it would be decidedly to my advantage in order to stop interest, to draw for the 1250 $ which arrangement I hope will not interfere with your plans -

I deposited in the Bank of Balt: $1570. to your Cr - I suppose by this
