remains the same - & I hope ever will, even if we should become more reduced than we are at present -

We are pleased to hear of Catharines continued good health - and regret that her cousin is in such a suffering state and hope she will soon be restored to her usual health -

The girls unite in affectionate regards -

Very Resp.ly yr
H. Tilghman -

P.S. - I cannot account for the delay of yr letter - it only came to hand this morning -
