Baltimore 4th March 1843 -

Dear Sir

I have this day deposited to your Credit the Amt. of Mr Harrisons acceptance for 3000 and your Check on the B. of Balt. for 800 $3800

as you requested - The deposite would have been [illegible] but for the circumstance that Mr Lees draft on which it was founded did not fall due until Thursday last.

I have a letter from Mrs A Tilghman requesting me to intercede with you to let her have the entire Amt of her claim. as she is in great need - and to suggest the propriety of the Creditors having the Interest paid in Miss'pi which she understands is eight per cent. if in truth just Interest has been paid to Mr Lea. I think she is right - these are however only suggestions for your Consideration. whose desire I am sure persuaded. is to do exact and equal Justice - I have untill a day or two since been confined with a Bronchial affection - Mrs B is afflicted with something like it if not the same and is still confined to her

Dear Sir
Yours very
truly
