

George Mason.

In the matter of George Mason, as referred to in the proceedings of November 23, 1911, the Secretary was directed to further communicate with the said Mason, as follows:-

"Baltimore, Md., November 27th., 1911.

Mr. George Mason,

614 N. 5th. street, Philadelphia, Pa.

Dear Sir:-

Referring to the matter as explained to you in my letter of the 23rd. instant, I beg to say that I communicated the answer you gave me, verbally, to the Board of Police Commissioners this morning and they now have the question as to whether or not you will be permitted to box in Baltimore City under consideration.

I am instructed to say, further, that before you make any engagement to participate as a contestant in a boxing match in Baltimore City you had better arrange to call at this office, notifying me in advance, so that Mr. Barrett may be brought here and both of your statements listened to by the Board; otherwise the Board will feel constrained to refuse to issue a permit for any boxing exhibition in which you are engaged to take part.

Please acknowledge receipt of this letter.

Very respectfully,

JOSIAH A. KINSEY, Secretary."
