$20.00

Abel Green

My dear Sir

Mr. Brown having had a slight chill, and retired, previous to the receipt of your note, has requested me to say to you, that the $20,50 there in contained came to his hands in safety — Mr. B has been very much indisposed since his ride to Kent — and his chill is I think the consequence of exposure to the warm sun of those two days — For myself I am happy to say I feel very much myself again, and the children are well —

Very sincerely and respectfully yours

Charlotte Brown
