Dec 15 Recd Payment in full for the above account
W. P. Hopper

Dear Sir

If you can with convenience settle this account and enclosed order on Mr Sutton, you will greatly oblige me, as I am particularly in want of funds at this time. I assure you, Sir, although I have been in business about eleven years, yet I cannot collect money sufficient to enable me to go on to the City to lay in a stock of Medicines &c. I regret very much that my situation is such as to compel me to call on you at this time, as you have always been so punctual in your payments.

Col Tillman

Yrs Very Respectfully
W. P. Hopper
