I have not settled with Mr McDaniel yet. He had another child about the 20th of December and in the contract he claims a deduction of Five dollars but as the year was so near out it hardly looks right. she is there yet. confined Mr James Auld has hired her in place of Molly. he would have neither of them at St Michaels on any terms. Neither Mary, Eliza or Margaret Ann has any bedding

Mr McDaniel has a bill of $6.22½ I will send it. There is a few other small amounts to collect yet
