Should you write to me say how I am to settle with Mr McDaniel he thinks he ought to be allowed for the time Hester stays there after the year was up. I told him I did not think he would be allowed a deduction of $5.00 and he proposed for the time Hester is there besides. I wrote to you by the waggon about the corn house. I hope you understood the way it was measured I thought it would be about fair to call the house 20 feet long. 9 feet 10½ inches wide I know nothing of the rules of that kind of measurement
