I will attend to weighing the blades at Shinwood in a day or two I will try to make some arrange ment for Dicks Children. when you write please say how much meal and meat they ought to have My family is well excepting my wife and she is greatly troubled with rheumatism

I should have done this business sooner but I was a good deal uneasy in going about for fear of the small pox. a person died lately in Broad Creek with it. I hear of none at this time below the Royal Oak. hoping you are well

Very respectfully yours &c

W. Pellemeyer

I have wrote rather in a hurry and if there is any mistake it can be rectified
