OFFICE OF **LELAND J. WEBB,**
ATTORNEY AT LAW.

Winfield, Kansas, March 16 1874

Lloyd Tilghman Esq.,
Atty at Law
Chestertown, Md.

Dear Sir: Seeing your address in Hubbell's Legal Directory & having some business in your county I write you.

A client of mine, Mrs Mary C. Boyer, has a mortgage on a tract of land in your county given by Robert C. Flounders & wife. There was a bond given at the same time. The mortgage was recorded but the bond was not. The amt of the mortgage is $2,800. Richard Hynson of Chestertown has the papers. They were sent to him in February 1872 for collection, but has not given any account of the matter.

Mrs. Boyer is anxious to have it settled up.

Please give it your careful attention
