Mr Tilghman

Sir I send the articles you wrote for 4 Turkies 5 bushels potatoes 12 peach trees, apples. and all the eggs we have there will be 10 turkies left in all Rachel says there is some fowls to go up. Perry Brooks has not got security yet for Margaret, he rents a house from and is employed by James M Setts Esq who says he will be security for him provided you will release him in case of Perry's Death Mr Setts says there is no doubt Perry will earn the money if he lives his character is good as far as I know I could only get $12.00 for little Margaret, and clothes Capt Bold paid me $20.00 on Barney wages I was under the necessity of using $5.00 of it the other I shall not take except you say so, my Doctors bills was near $25.00 which made it hard on me. I saw Listers anon the lump is no larger, I thought she had as well stay at her home until you come down The stock is doing pretty well now, though I fear we shall be scarce of provender, there is two Lambs, one of the hogs is dead and all the young pigs but five when the weather is fit I am hauling or spreading manure I filled the Ice house last week my family is well. also the hands Old Adam & Rachel is complaining. respectfully
