Dear Sir

above you have the Sales of your Wheat by Capt Hadaway — and Barrow having the bad weather yesterday — I had to get him to sell it — since the last news from Europe, which no doubt you have seen in this, which has fallen to the prime price of 100 & 105 — for good Red Wheat — and the miller expect it will be lower — you paid me your bill in the last wheat I sold for you, as for sales made you last week by Dawson — the net proceeds of this shall be credited to your Credit in the Bk Maryland — Cost 50 to 51 c —

Yours truly

J Barrow
