Mr Filchman

Dr Sir - I send a bill of the persons I have used money for the hire of hands

Mrs Susan Kemp	75.00
George Batten (5 Deduction)	15.00
A Parker 15.00 for board of child 5 now due	35.00
B. R McDaniel	12.00
Dr J Miller	55.00
J T Harrison	75.00
	$267.00
Amount p	46.94
	$220.06

The above amount I will send to Bank the first opportunity. The man who hired Lloyd last year died and the acct will have to be proved or you can get it ready and send it down, $45.00 was what he hired for to William H Dawson. I can get no money from Capt Smith now he says he'll pay soon as he is able. The women are plagued to get homes Mary has none yet she is at Mr Haddaway's but he dont want her he say he expects $5.00 for the trouble of her confinement it was only an act of kindness he took her at all. Dave has got no home he says he is not able to hire, Victuals & clothes is about what he wants he thinks he is getting too old to work but has no place to stay at he that I know of

I think the women Mary & Eliy with them children would be more profit to take them in your County for they seem an expence to you here and bother to me
