her - I made her
you a present of
the Engineer &
the Pearl Necklace
the Wing of
the Angel - and
I send a letter between
the leaves of my book
to the Wife & Children
in Paradise
Nurse thinks I
ought not to read
or write much
for my eyes forbid
much work
spend much idle time
and get very tired - as there is
much I want to do and to read.
Your box was a delight to us - every-
thing delicious - and only finished
last night - perhaps my stomach will
make the better for it - We shared with
Lottie & John - Christmas was very
generous to us - bringing many
pretty and useful gifts - besides
