6th HICKS SALE!

COMBINATION PARK, Medford, - - Mass.

1 DAY ONLY. June 7.

Limited to 50 Choice Horses.

HON. FRANK JONES, Portsmouth, N. H.,
Consigns eight:

FORRESTER, 2.22, by Belmont Forest, out of Charmer, by Spear's Patchen, and MISS PARTHENON, by Parthenon, 2.27¼, out of Charmer. This is a double-team, very handsome pair. Miss Parthenon has been miles in 2.23. She is a nice, toppy looker, and matches well with Forrester, 2.22. They are a great team, large enough to put into a two seater, and fast enough to beat almost any team to a light hitch.

LULU MAPES b f, by Wilkes 8571, out of Lizzie Mapes, by Louis Napoleon. She is a nice looker and promising trotter.

The handsome pair LITTLE MISS, 2 24½, by Wilkes 8571, dam by American Boy, and LITTLE LADY, b m, by Wilkes 8571, dam by Winthrop Morrill, a very nice team, and can step together a 2.20 gait. What a team here is for some one to buy for a road team easily driven.

CHARLES H., b g, by Belmont Forrest, out of Charmer, 16 hands, can step in 2.50 to Goddard buggy. A very toppy horse.

WHITTON, b c, very handsome, sound and promising.

RELIABLE VETERINARY REMEDIES

BURSADINE.

Unequalled as an absorbent for enlargements, swollen glands, wind galls, curbs, bog spavins, strains and sprains. As an external application to the throat in sore throat, and to the sides in pneumonia, it is almost a specific. It cures all lameness that is curable. The horse can still be worked. *We do not claim* that it will remove large, bony growths, such as bone spavin and ring bone, but it will materially benefit the lameness and often reduce the size of the growth.

Price, $1.25 a Bottle.

PURGATOL.

A safe and effectual purgative for horses and mules. It is just as necessary to attend to the liver and bowels of a horse as it is in human beings. Can be administered by any one. Much better than the old fashioned Aloes Ball, having all its advantages and none of its disadvantages.

Price, $1.00 (Six Doses).

MULLEINOL.

Unsurpassed the world over as a remedy for healing all kinds of wounds, sores, cuts, old ulcers, fistula and poll evil. In Europe it is found in the medicine chest of all farmers and horse owners.

Price, $1.00 a Bottle (5-8 Pint).

COLICIDE.

A prompt and reliable remedy for spasmodic and wind colic, also for inflammation of the bowels, stomach and kidneys. It should be given in all cases in which the animal paws or rolls, thus evincing pain.

Price, $1.00 a Bottle (10 Doses).

PNEUMOCIDE.

A scientific remedy for pneumonia, influenza, chills, shipping fever, cough and kindred diseases. Half of the cases of pneumonia that die, do so on account of improper medical treatment.

Price, $1.50 a Bottle (20 Doses).
