WALSINGHAM 2166

WILL MAKE THE SEASON OF 1889 AT

Monticello, Ill., at $75

the season, or at the option of the patron for $100 or no fee if he does not secure a record of 2:30 in 1889

WALSINGHAM is fully 16 hands high and weighs 1,130 pounds. He is strong, shapely, well-finished and stylish. His young colts all show speed. They are large, handsome and good-gaited. Latitude, two years old, trotted to a record of 2:52½ on a half-mile track, defeating six other well-bred colts, and trotted a good race in the rain.

WALSINGHAM is by George Wilkes, 2:22, dam by Mambrino Pilot. For further particulars address

(1617) H. R. CALEF, Monticello, Ill.

MUST BE SOLD!

On account of my inability to collect a large amount of money due me, I am compelled to sell my horses to pay my debts. For this reason I will sell any horse I have except one yearling filly and four mares in foal, which I reserve for their produce. The lot contains a

VERY HANDSOME AND FAST STALLION, GRANDSON OF ROBERT McGREGOR; TWO GRANDLY-BRED AND FAST THREE-YEAR-OLD STALLIONS; ONE YEARLING STALLION BY CONSUL, 2:22½, AND A WEANLING STALLION COLT,

And Over Twenty Brood Mares in Foal

to what I regard as one of the best bred and most promising stallions in the entire West. I bought nearly all of these mares at auction, and, as I think, very cheap considering that I picked them to keep for brood mares, but as they **MUST BE SOLD AT ONCE,** I do not expect them to bring as much as they cost me.

DO NOT WASTE TIME WRITING, but come at once and **GET YOUR CHOICE** of the lot. No man who wants to buy will go away without being satisfied.
