First dam Gipsey, by Tom Hal, sire of Brown Hal, 2:17½, Little Brown Jug, 2:11¾.
Second dam, a fast pacer of untraced blood.

Bred at Ewell Farm.

No. 50.

ZULETTE. Roan filly, right hind foot white around heel, and white spot on fetlock; foaled April 30, 1886. By TENNESSEE WILKES.

First dam Daisy C., by Tom Hal, sire of Brown Hal.
Second dam, by Thompson's Traveler (pacer).
Third dam by a horse named Copperbottom.

I farmed the dam of this filly from Mr. Albert Campbell, of Spring Hill, Tenn.

STALLIONS AND STALLION COLTS.

No. 51.

JOHN WILKES. (Standard.) Bay colt, black points, no white, 15½ hands high; foaled May, 1884. By RED WILKES, sire of Phil Thompson, 2:16¼, Prince Wilkes, 2:16½, and six other 2:30 horses.

First dam TIPSEY, by ALCALDE, sire of Hylas, 2:24½.
Second dam MARY WEAVER (dam of only five foals—namely: Don, 2:22½, Robin M., 2:24½, Robin Hood, trial, 2:21½, Mary Browne, record, 2:33, and trial, 2:26, and Tipsey, trial at a 2:40 rate at three years old), by Black Hawk Vermont, son of Vermont Black Hawk.
Third dam Old Reel, that trotted 100 miles in nine hours for Gen. Dunham, of New York.

Red Wilkes, by George Wilkes, dam Queen Dido, by Mambrino Chief. Tipsey, dam of John Wilkes, trotted in her year-old form, three-quarters of a mile in two minutes, and was then put to breeding.

Mary Weaver was not put to breeding until she was twelve or thirteen years of age. She was a capital road mare, and could trot in 2:40. The speed of her produce ranks her among the greatest brood mares.

This colt is the joint property of G. M. Fogg and Campbell Brown.

No 52.

McEWEN. (Standard.) Chestnut colt; foaled 1885. By McCURDY'S HAMBLETONIAN, five-year record, 2:26½, and sire of Lulu Hambletonian, five-year record, 2:28.

Dam MARY M., dam of Annie W., 2:20.

McCurdy's Hambletonian, by Harold, sire of Maud S., 2:08¾, out of Belle, dam of Belmont.

For pedigree of Mary M., see No. 18.

Bred by Jas. McEwen (breeder of Annie W.), of whom I bought him.
