About twelve years ago Messrs. Jarrell and Nichols entered the arena of mercantile life, as members of the youngest firm of the town. During that time they have built up for themselves a permanent and extensive business, until today they stand as the acknowledged leaders of the Dry Goods Trade on the shore. In August 1885 they purchased the business of W. H. Thompson & Co., and now occupy a magnificent brick structure 30 by 130, admirably managed and beautifully lighted, located in the business centre of Easton, and well filled with the choicest selections of merchandise. Their stock reaches $25,000 in value, consisting of Ladies Fine Dress Fabrics, Gentlemen's Domestic and Imported Cassimeres and Suitings, Fancy Notions, an unsurpassed stock of Millinery, Ready-Made Clothing for men and children, a stock of Carpets not approached by any other house in the town, Rugs, Mattings and Oil Cloths, all bought at LOWEST CASH PRICES, fully warranted to be as represented, and sold at prices that will compare with any house in the same line of trade. In the rear of their establishment they have a Ladies Waiting Room, where you are invited to come and rest, as this was arranged for the comfort of their patrons. When you visit the Fair call and see them, as they wish to make your acquaintance and show you how they do business.
