

In this connection I wish also to state that the probation appointment of Captain Frank J. Zellers expires on June 21st., 1912.

From my personal observation Captain Zellers has in every respect fulfilled the duties incumbent upon a Captain and I would therefore respectfully recommend that his appointment be made permanent.

Very respectfully,

THOMAS F. FARNAN, Marshal."

Patrolman Edward E. Doherty.
Leave of Absence Requested.

A communication, as follows, was received and the recommendation of the Marshal, as therein contained, was approved:-

"Baltimore, Md., June 14th., 1912.

To The Honorable,

The Board of Police Commissioners.

Gentlemen:-

Referring to the attached application of Patrolman Edward E. Doherty, Southwestern District, for thirty-two (32) days leave of absence, twenty days with pay and twelve days without pay, commencing July 21st., 1912, for the purpose of visiting his Uncle who resides in Liverpool, England.

In my judgment I do not consider the relationship of an Uncle of such importance as to warrant the granting of leave of absence for this length of time, especially as he would be out of reach should his services be required within a reasonable time. I would therefore respectfully recommend that his application be denied.

Very respectfully,

THOMAS F. FARNAN, Marshal."
