Lloyd Gilchrist Esq

Dear Sir

Your return Journey enclosing check for the note & proceeds of the settlement with Lee came duly to hand. for which please accept my thanks. I have no other claims over your way. You will have to push that party up about the Mortgage money as I have seen my late Clerk Mr. Delagelle & he says that he told him the same story a year ago. that he would have the money in a few days. how did the judgement against Mr Hedford turn out.

Yours

Truly

J. Lemmon
