Gambling.Complaint of H.P. Scoggins.

Report, as follows, was received, read and ordered filed, see Exhibit No.

"Baltimore, Md., June 17th., 1912.

To The Honorable,
The Board of Police Commissioners.
Gentlemen:-

In the matter of complaints on the part of H.P. Scoggins, as to gambling (crap games) in the Wholesale Fish Market, beg to state that I instructed Captain George G. Henry, Central District, to investigate these complaints and he reports, as will be noted from his report hereto attached, that his officers were unable to observe any violations such as referred to by Mr. Scoggins.

In this connection I might say that Mr. Scoggins is considered to be somewhat eccentric and in all probability his allegations are somewhat imaginary.

I have, however, instructed Captain Henry to keep this Market under surveillance and apprehend all such violations of law.

Very respectfully,
THOMAS F. FARNAN, Marshal."

Automobiles.Complaint from Douglas H. Thomas.

Communication, as follows, was received, read and ordered referred to the Marshal:-

"Baltimore, June 17th., 1912.

Board of Police Commissioners,
Baltimore.

My dear Sirs:-

In view of the constant violations of Section 140-H., Acts of 1912, Automobile Law of Maryland, I take the liberty of suggesting that you call the attention of the captains to its provision. I think I am safe in stating that 75% of the automobiles going North from Eager street on St. Paul st., cut out the muffler and many of them use horns other than those allowed under the said section. I would ask as a special favor that my name be not used in connection with this suggestion as I think there are many owners of automobiles who would resent such action on my part.

Very truly yours,
DOUGLAS H. THOMAS."
