September 19, 1902.

Thomas C. Emory Esq.
Frederica, Del.

My dear Sir:

I received your letter of Aug. 1st 2nd, but have been waiting for an answer to my letter to your brother, Mr. John W. Emory, before writing to you. Thus far, I have not heard from him, and if it be not too much trouble I would be glad of your help in finding out, if possible, the relationship of the Delaware Emorys to the Emorys of Queen Anne's County, Md.

As I think I explained to your brother, the Queen Anne's Emorys (of whom I am one) are descended

Maryland, conveyed 44 3/4 acres of land in Kent County Del. and 16 acres in Caroline County, to John Diggins.

Have you knowledge of any of these people in your family?

I would like, also, to ascertain the ages of yourself and brothers; the names of your father, grandfather etc as far back as you can go.

My only object is to satisfy my personal curiosity as to the various branches of the family, and if you can give me any information, I would be glad to send you in return any particulars I have as to my own family. Should you care for them.

Sincerely yours
Frederic Emory.
