Bushnell's Perfect Letter Copying Book

is an established success. Every book sold will make perfect copies when the directions are followed. (See first page.)

Use a good ink that will copy in a press.

☞ See that the cloth is not TOO WET.

This is the quickest, cheapest and best method of copying letters.

These Books are known and used
ALL AROUND THE WORLD.
NO PRESS REQUIRED

your letter of the
ing a detailed
information
the form of
we have
mile post 40 and
45 + 00 The
from Fresh to
East 10 date we have been able
to locate but one but & one stake
in a standing position of the
old surveys. For the foregoing reason
we have not been able to calculate
bearings & distance to strike a point
a half to enable us to
set the accurate tie between the
lines

Yours truly
Chas. S. Burrows
