F. A. Poolitz, Consulting Engineer
35 Nassau Street
New York

Dear Sir:— Yours of the 17th
inst received.
Our station number at the
east side of Penny bridge Pa.
Apollo, is 834+27.
I am sending you under
separate cover a tracing of our
2000 ft map, covering the
line in mile 43. I have had
the topographer
25 miles of line can
be placed on
the tracing
which I
expect from
at Hood & Watts
