Dear Sir —

Your letter of the 25 received. I was not mistaken in understanding that you wanted the yard tracks shown on the filing map. So we have not shown other sidings. I have a note to the effect that allowance is made for them in the estimate.

I am sending you with this a set of the B.C. and data. The map as published was made for the purpose. It is my idea that the yard tracks should extend across the junction as the main line of the N.Y. P & C or
