every night. The weather cleared
Wednesday night - and I hope
we will have it clear for
a while. The snow is about
20" on the level and the
roads are in fine sledding
condition. Wednesday there are
plenty of teams all. After the
snow had taken the wind of the
snow and Coburn is heavily
loaded I expect it has rained the
last here by Wednesday night
the temperature on the 406 ft.
was sleighing but - my poorly
from Soho will not have
B.&M. tracks to move as an
as traces of the old tracks
any few hand power will
are more almost 5 months
here if during this
