Policemen's Protective & Benevolent
Association of Baltimore City.

In the matter of Policemen's Protective & Benevolent Association of Baltimore City, as referred to in the proceedings of March 18th., June 4th., and 28th., 1912, the Board issued the following statement:

The Board of Police Commissioners has given long and careful consideration to the matter of the Policemen's Protective & Benevolent Association of Baltimore City, and is obliged to announce that the Board is unwilling to take the responsibility of permitting the Association to continue its existence.

The Board has had before it for a full conference, the officers and directors and counsel of the present temporary
