Your letter of the 20th in
regard to the west end right-
of way reached me. I
mailed you this date on the
afternoon of the 19th. In mak-
ing up my rate of actual
values and prices of farm land
in farm sales, a liberal amount
should be added for damages
& abutting property. In the
case of the farm land about
10% of the taxes a little less.
The pres. of the railroad given for
a transfer is exhausting the state
fund.
Found a couple of PPP cases on
here again today
Nothing forwarded the money yet
in hand of the road yet
