2 (Union Mining Report)

an after acting Governor was then requested with some authority capital thereby the means of the Company were to fight the mines authoritat for Gambetta a supply of 8/4 for the on the machinery and ~~[illegible]~~ minimum expense in case operations were curtailed.

We have seen it have been engaged at least full for the operating company and a monthly or our after this. in a discussion regarding the minimum expense allowed Mr Gore only the Hence after giving formulating an

$150 per mt.

Gambetta at the present time cause it have the further months his contract and no machine it the formulating with it this selling price of $50.000 is not of the operation

the only way a debt could be put then I would to me a monthly than

Resolution

The further is treated about to could with the work of Chattanooga the Tamarack road that cause

[illegible] 100.
