Reg: Adolph Isaacy

I called Mr Isaacy Thursday morning on the phone shortly after 9 o'clock & made an engagement to see him at 10 a.m.

The man he has in tow is a Demerara mulatto, David E. Headley

Isaacy had already an appointment to see A.V. Davis in regard to Headley's proposals at 4-30 p.m. In order to get Isaacy to open up it was necessary for me to disclose the fact that I had been sent by you. I asked him not to disclose who I represented

the chance of him keeping
it is rather remote.
Headley professes to be on his
way to England & that Isaacy met
him by accident in New York.
He is very bitter against Potter,
Englehardt and the Rl. Co but
tells that if he can bear his
" & feelings to Rl. Co. that he
get them sated me.
