

Gentlemen:-

In returning, herewith, unsigned communication, in which complaint is made that an officer could not be seen at Lexington and Paca streets, from 8:20 to 10:30 p.m., July 9th., 1912, I beg to say that I referred this matter to Captain H. P. Morheiser, Western District, for investigation.

The result of his investigation is as follows: (See report attached). From this report it appears that there was both a sergeant and patrolman in the vicinity referred to within the time mentioned in the attached communication, and in my judgment if the writer was particularly anxious for the services of an officer he could very readily have found one.

I would respectfully recommend that the communication be filed without further action.

Very respectfully,

THOMAS F. FARNAN, Marshal."
