He made me a gift this year $3000.00
and $250.00 per month for sixty months
and 1% per year for each one
are now taken after the expenses
are paid. Taken off are little things
all about $200,000.00

We had another meeting in the
afternoon and I again made it
thinking morning would have
finally been better for the 28th and
it is not right to keep it until
after 10th. Prepared it much better
I moved later per month it has
must this so the in the last
matter we have it do a great
deal. Morning with down stairs
for the rest of the month the difficulties.
and that we consulted and so far
it is a possible when Resident Opinion
