Report on the Old Watters Mine
Missionary Ridge near
Chattanooga Tenn

A visit to this property was paid on April 9th in company with one of the owners Mr. W. G. Kinser

Location

The property is located about ½ mile South of the Perry #2 mine on the east slope of the Ridge and is easiest reach by auto from Chattanooga

Size of the tract

Mr Kinzer told me the tract held by he and his associates contained 15 acres. It is rectangular with sundries parallel to the Ridge The east boundary is about half way up the ridge and the land of extends east to the foot and across a small drainage

History

From local reports Will Watters of the Rep. M. & M. Co. seems to have owned this mine a little over year ago and worked it.
