Commendatory Letter.

Communication, as follows, was received, read and ordered published in the daily lookout sheet:

"Baltimore, Md., July 13th., 1912.

To The Honorable,

The Board of Police Commissioners,

Baltimore, Maryland.

Gentlemen:-

In reviewing the events of matters pertaining to our recent fire, which occurred at the Eutaw House on May 25th. last - I recall vividly the excellent services and assistance rendered by the two officers patrolling this post - Sergeant Mumford and Officer Tevis - by promptness and alertness in their endeavors to see that all guests and others got out of the building in safety.

Such work is commendable and I deem it proper your Honorable Body should know of it - and further, for the good of the service and as an incentive to their brother officers, this word of thanks and praise should be read over the desk to them.

Very respectfully,

FRANK C. O'BRIEN, Proprietor."

It was also ordered that reference to communication, as above, be noted on the records of Sergeant Mumford and Patrolman Tevis.
