DEAR SIRS,

IN reply to a letter of even date signed by you both in which I am informed of Mr. J. A. King and a Mr. Neithers wish to interview me *re* granting a right of way &c. at "Aurora" I have to say that I do not wish to grant any such right of way &c. In fact I positively decline to consider any suggestion of the kind.

I regret not being able to see the gentlemen in question.

DEAR MR. KING,

MRS. HUBBARD says she is unable to give you an interview with regard to granting a right of way on lands at Aurora and is not wishful of considering your suggestion.

With kind regards,
Yours very truly,

"J. 17." Letter, J. A. King to one of the Curators of T. Hubbard, 27th March 1915.

"J. 17."

Letter from J. A. King to One of the Curators of T. Hubbard.

Crown Solicitor's Office,
Victoria Law Courts,
27th March 1915.

DEAR BURROWES,

YOU have not quite understood the position. Mrs. Hubbard cannot grant us anything. My clients can put you to considerable expense and trouble to secure the rights they have but are willing to do what they can to avoid litigation. You say you do not like to act against Mrs. Hubbard's wish. We are really not concerned with this but are ready to avoid difficulties and therefore suggested having a conference. Please understand that we intend to claim and enforce our rights whether Mrs. Hubbard likes it or not. Mr. Neilson is anxious to avoid difficulties and to settle matters amicably. I again urge you to try to get the matter settled before we are forced to law. We dealt with the Curators and hold them to their agreement.

Yours truly,
JOS. A. KING.
