at present than to get on an ocean steamer and get beyond reach of everything connected with business for awhile. I am truly delighted to hear such good accounts of your young stock. Lord B— is in fine shape for big fat — well <u>under</u> him — fat and really a very handsome horse. I will shortly commence driving him in and out to Rockaway hotel at edge of city. The Arthur Emory colt I fear is a peer. My two 2yr olds are promising — the one from Dexter, mare a large long striding big gaited mare — that I believe would be fast young.

Yours truly.
