Beggars. - Vagrants.
Federated Charities.
St. Vincent de Paul Society.
Federated Jewish Charities.

In the matter of the apprehension, detention, etc., of street beggars and vagrants, Dr. J.W. Magruder, of the Federated Charities, called upon the Board and asked that the assignment of district mendicancy officers, as referred to in the proceedings of July 17, 1912, be postponed until he can confer further with the other charity organization societies, for the reason that it seems to be the desire of the societies to try out more fully the present method of one mendicancy officer, and because, as the employes of the societies are now taking their vacations, the societies may not be in a position at this time to adequately meet any considerable number of cases of mendicancy.

Ordered that the request of Dr. Magruder be complied with.

Animal Refuge.

In respect to the complaints that dogs are harbored at the Animal Refuge, 810 Ensor street, without licenses, as referred to in the proceedings of June 13th., and July 17th., 1912, a communication, as follows, was received:-
