that I have written 40,000 letters
to the members - two letters to
your friends Gibbons & Morgan
and they have not yet replied.
And I am going to vote against
every man in future who does
not send his money with his
application - So I dont mean
this but I am going to pray
and stop cussing - But I
will forgive you for "blowing
me up" if you get me two
H. R. cuts for next spring
so that I can get back
with entries in the stakes.
The enclosed letter tells
briefly what the Board de-
cided to do - Some of them
gave it to Stoltzen right in
the neck - If we had declared
the 2.25 & 2.30 stakes off
& opened them again we might
not have had any better success in
filling them & three horses makes
a better race than you go in for
they all get scared & you have to

Look - by Heaven! Bert - But I am always with your friends
